

January 27th—29th 2023

Laurie Morton Ruppe Memorial Tournament

Laurie Morton Ruppe was an amazing woman who was instrumental in the sport of ringette in Strathmore. She held the position of Vice President on the SMRA board for two years.

Laurie had a true passion for the game and played on the women's team for 10 years. She was always very competitive and displayed good sportsmanship both on and off the ice. Her positive spirit and leadership found herself as Captain of that team for many seasons. Laurie also coached her daughters Kim's team and went on to win the Gold Medal at the Esso Golden Ring in Calgary.

SMRA has named the Annual Tournament in honour of Laurie. Her contributions were many and she is sadly missed by our community but will be forever remembered.

On behalf on the Strathmore Minor Ringette Association and the 2023 Tournament Committee, we welcome all players, coaches, families, friends and spectators to our 2023 Laurie Morton Ruppe Memorial Tournament!

Thank you....

To all of the volunteers that have worked tirelessly to bring this tournament together, and those that are assisting throughout the weekend.

To all the coaches, parents and families who are behind these athletes, encouraging them to be the best that they can be.

To our players, who provide us with entertainment and pride with their efforts and enthusiasm on and off the ice.

To our amazing sponsors who continue to support us in making our tournament a success

Have a fabulous tournament weekend!!
